## 2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

### General Information about the School Accountability Report Card (SARC)

#### SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

#### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## 2023-24 School Description and Mission Statement

### ABOUT TWIN RIVERS UNIFIED SCHOOL DISTRICT

Twin Rivers Unified School District encompasses 80 square miles in a growing, ethnically diverse region in northern Sacramento County characterized by a mix of suburban development and light industry. The district serves more than 26,000 students in preschool through adult education who come from families that speak 46 different languages. All enrolled students, regardless of income level, are eligible to receive a healthy school breakfast and lunch at no charge. Our families live in the neighborhoods of Arden Fair, Del Paso Heights, Dos Rios, Elverta, Foothill Farms, Gardenland, McClellan Park, North and South Natomas, Northgate, North Highlands, North Sacramento, Robla, Rio Linda and Woodlake.

Twin Rivers is comprised of 43 schools— 27 elementary schools, four comprehensive high schools, five middle schools, two alternative high schools, one special education center, a K-12 independent study school, preschools, three dependent charter schools on eight sites, and Twin Rivers Adult School.

### OUR MISSION

To inspire each student to extraordinary achievement every day.

### OUR VISION

An unwavering focus on powerful and engaging learning experiences that prepare students for college, career and life success.

### TWIN RIVERS UNIFIED SCHOOL DISTRICT GOALS

1. By 2024-2025, TR will have 55% of all graduating seniors meeting A-G criteria, with each high school increasing rates by 3.5% each year.
2. By 2024-2025, TR will have a 92% cohort graduation rate, with each high school increasing by 2% each year or maintaining 95% or higher.
3. By 2024-2025, TR will be a 50/50 district in SBAC results, with each school growing no less than 10% (ELA) and 10% (math) during 2022-2023.
4. For 2021-22 and subsequent years, TR will have a budget that does not include a structural deficit.
5. For 2021-22 and subsequent years, the retention rate for all employees will remain above 95%.

## 2023-24 School Description and Mission Statement

### OUR CORE BELIEFS

- All students will graduate college, career and civic-minded ready.
- All students will have a safe, clean and secure environment that is free of bullying and that creates opportunities for learning.
- Student engagement is critical to student success.
- Partnerships with all stakeholders are vital to student success
- TRUSD will be fiscally sound and maximize resources for student success.

### Principal's Message

#### THE PRESENT

Located in the heart of North Sacramento, Las Palmas Elementary School proudly serves over 1,100 Preschool - 6th grade students. Across our sprawling set of two campuses, Las Palmas Elementary dedicates the West Campus to students in our Preschool, SDC Preschool, Transitional Kindergarten, and Kindergarten - 2nd grade. Our East Campus is dedicated to our 3rd - 6th grade students. Because of this unique configuration, Las Palmas Elementary is able to allocate grade specific resources in a specialized way that benefits our students and families.

Our unified focus, and the motivation of our entire staff, is to ensure that every student and every family have the tools and resources necessary to achieve success every day. To that end, we pride ourselves on our strong relationships with the wide range of departments within our District Office that support us and our students and families.

#### THE PAST

Prior to the 2020-2021 school year, Las Palmas Elementary School actually consisted of two separate schools on two separate campuses. These two separate elementary schools each have a long, rich, tradition of incredible successes in our community dating back to the 1950's. As our community developed and grew, the services these two schools provided matured and grew as well. We are extremely proud of each of our histories and so grateful to those individuals at each of our campuses that contributed to our many success over many, many years.

Today, we are only to move forward, and reach further because of the achievements of those that came before us. Despite separate paths that each of our schools took to get where we are now, we recognize that we now share a new path and new goals, together, as one!

#### Core Belief:

"We embrace our personal and collective responsibility for sustaining a positive, high-quality learning and social environment where every opportunity is approached with empathy, equity and an unconditional respect for the whole child: Care with our Hearts, Learn with our Minds, Act with our Bodies, and Connect with our Souls."

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

Authorization/Assignment	2020-21	2021-22

Misassignments	0.00	0.00
Vacant Positions	0.00	0.00
<b>Total Teachers Without Credentials and Misassignments</b>	0.00	0.00

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

## Credentialed Teachers Assigned Out-of-Field (considered “out-of-field” under ESSA)

Indicator	2020-21	2021-22
Credentialed Teachers Authorized on a Permit or Waiver	0.00	0.00
Local Assignment Options	0.00	0.00
<b>Total Out-of-Field Teachers</b>	0.00	0.00

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

## Class Assignments

Indicator	2020-21	2021-22
<b>Misassignments for English Learners</b> (a percentage of all the classes with English learners taught by teachers that are misassigned)	0	0
<b>No credential, permit or authorization to teach</b> (a percentage of all the classes taught by teachers with no record of an authorization to teach)	0	0

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

## 2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Twin Rivers Unified held a public hearing on October 17, 2023, and determined that each school within the district had sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption. The table displays information collected in October 2023, about the quality, currency, and availability of the standards-aligned textbooks and the instructional materials used at the school.

## School Facility Conditions and Planned Improvements

The current school main facility was constructed in 1951, consisting of 18 permanent classrooms, 1 administration building, 1 library, 1 staff room, and 1 multipurpose room, and a playground. Additionally, 24 portable classrooms have been added in subsequent years. Las Palmas Elementary School consists of 26 classrooms, 2 administration buildings, 1 library, 1 staff room, 1 multipurpose room, 1 complete computer lab, and 2 playgrounds.

The safety of our students is of utmost importance. Supervision of students occurs before school, in the form of school administration, certificated teachers and classified staff; during school hours, in the form of certificated teachers and noon duty supervisors, and after school in the form of school administration and certificated support staff.

### Cleaning Process and Schedule

The district governing board has adopted cleaning standards for all schools in the district. All schools are on a regular cleaning schedule. Each classroom is swept or vacuumed and the trash emptied. The cafeteria, gym, and all restrooms are cleaned daily. Grounds are groomed on a rotating basis, with trash, lawn, and plumbing issues addressed daily.

### Maintenance and Repair

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. One full-time and one half-time custodian ensure that all classrooms and facilities are in adequate condition. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority. At the time of publication, 100% of the restrooms are in complete working order.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

#### Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

#### College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

<b>Mathematics</b> (grades 3-8 and 11)	20	23	20	22	33	34

## 2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. ## 2023-24 School Safety Plan

The safety of students and staff is a primary concern of Twin Rivers Unified School District. Supervision is provided to ensure the safety of each student before school, during breaks, at lunch, and after school. Supervision is a responsibility shared among school staff, teachers, and school administrators. All guests to the campus must sign in at the office and wear a visitor's badge at all times.

To safeguard the well-being of students and staff, our school has a comprehensive School Site Safety Plan, which is reviewed and updated annually by the Site Safety Committee. Any revisions made to the plan are reviewed immediately with the staff. School staff also review the plan annually at the beginning of the school year. The plan was last reviewed with school staff in August 2022.

Key elements of the Safety Plan focus on the following: disaster response procedures, school-wide dress code, child abuse reporting procedures, bullying prevention, sexual harassment policy, teacher notification of dangerous pupils procedures and safe ingress and egress of pupils, parents, and school employees.

The school is always in compliance with the laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. Emergency drills are held on a regular basis, fire drills are held once a month, earthquake and lockdown drills are held twice a year. The school is in compliance with the laws, rules, and regulations pertaining to hazardous materials and state earthquake standards.

## Professional Development

The teacher evaluation process is one of the most critical professional development opportunities we have with our staff. A well-constructed evaluation helps to promote high quality instruction and is a fundamental way to support growth. Staff evaluations are completed through formal, non-formal, and non-evaluative interactions. Temporary and probationary teachers are evaluated at least two times annually and tenured teacher evaluations alternate every other year and can be extended up to 5 years. Staff evaluations are conducted by trained administrators and the criteria used is closely linked to the California Standards for the Teaching Profession (CSTP). The CSTP domains are; Engaging and Supporting All Students in Learning, Creating and Maintaining Effective Environments, Understanding and Organizing Subject Matter, Planning Instruction and Designing Learning Experiences, Assessing Student Learning, and Developing as a Professional Educator.

Teachers and Certificated support personnel work to build skills and develop educational concepts through their participation in conferences and after school workshops throughout the year. In the 2022-2023 school year, Twin Rivers Unified School District offered 3 to 5 non-student professional development days for teachers depending on the grade level assignments. Professional Learning Communities (PLCs) were organized, met regularly, and collaborated during dedicated periods at each school site during early release days. Professional development sessions were focused on high quality first instruction, early literacy instruction, literacy in all content areas, math, English Language Arts Lesson Design and leadership development, as well as other numerous curricular support programs necessary to support student's continued growth. During the Fall of the 2022-23 school year, the district also supported over 165 beginning teachers through our partnership with the Sacramento County Office of Education's Teacher Induction Program and local University Intern programs.

This table displays the number of school days dedicated to staff development and continuous improvement.
