#### SARC Information

Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1st of each year. The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all Local Educational Agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in a LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC webpage at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Webpage at <http://www.cde.ca.gov/fg/aallc/>.
- For additional information about the school, parents and community members should contact the school principal or the district office.
- To view our SARC online, please visit our website or scan the QR code to the right.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### District Mission Statement

Twin Rivers Unified School District schools strive to inspire each student to extraordinary achievement every day.

#### District Vision

The Twin Rivers Unified School District has an unwavering focus on powerful and engaging learning experiences that prepare students for college, career and life success.

To achieve this vision, we commit to:

- All students will graduate college, career and civic-minded ready.
- All students will have a safe, clean and secure environment that is free of bullying and that creates opportunities for learning.
- Student engagement is critical to student success.
- Partnerships with all stakeholders are vital to student success
- TRUSD will be fiscally sound and maximize resources for student success.
- TRUSD will honor diversity and create equity across the district.
- TRUSD will identify, recruit, retain and develop the best employees.

#### Principal's Message

Welcome students, parents, teachers and staff to 2018-19 school year at Vista Nueva Career and Technology High School. We look forward to a great year. As always our teachers and staff are working hard to provide the best services to your students. Vista Nueva teachers place great value on creating trusting relationships with our students. The opportunity of working with students in smaller classes gives our teachers the ability to address the social and emotional needs of our students in addition to their academic needs.

We continue our work with the Jubilare Ministries which has been a family member for six years. They regularly mentor our students and hold motivational events for them. Many students have been able to become successful with the guidance from Jubilare mentors.

As the principal at Vista Nueva High, I will always be available to parents, students and community members to create a family environment at our school.

We look forward to a great year for our whole school.

Bob Wilkerson, Principal

## Mission Statement

All students at Vista Nueva Career and Technology High School will be offered academic and guidance programs appropriate to their individual needs so that they may graduate from high school with a diploma, and have an understanding of career possibilities and skill requirements for the world or work.

## School Profile (School Year 2019-20)

Twin Rivers Unified School District serves approximately 27,000 students in grades ranging from Pre-K to 12 in Northern Sacramento County. The district offers families the options of Early Head Start, Head Start and State preschool programs as well as Transitional Kindergarten (TK). The district operates 29 elementary schools, five middle schools, four comprehensive high schools, seven alternative schools, one adult education program and three dependent charter schools which serve the communities of Arden Fair, Del Paso Heights, Dos Rios, Elverta, Foothill Farms, Gardenland, McClellan Park, Natomas, Northgate, North Highlands, North Sacramento, Robla, Rio Linda and Woodlake.

## School Attendance

School districts receive financial support from the state for the education of the students they serve based on how many students attend each day. Most importantly, attendance is critical to academic achievement and regular daily attendance is a priority at the school. Student attendance is carefully monitored to identify those students exhibiting excessive absences.

Attendance, tardy, and truancy policies are clearly stated, consistently enforced, and consequences fairly administered. Parents are advised of their responsibilities, including proper notification of when and why students are absent. The school monitors student attendance very closely, makes phone calls to parents on a daily basis, and will send letters home if absences become a problem.

Students are referred to the School Attendance Review Board (SARB) when they have persistent attendance and behavior problems in school, and when the normal avenues of classroom, school, and district counseling are not effective.

## School Enrollment

The charts display school enrollment broken down by grade student group and grade level.

Enrollment by Student Group	
2018-19	
	Percentage
Black or African American	17.7
Asian	7.0
Filipino	0.6
Hispanic or Latino	52.5
Native Hawaiian or Pacific Islander	3.8

## Conditions of Learning State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

## Teacher Assignment

The district recruits and employs the most qualified credentialed teachers. This chart shows information about teacher credentials.

	Teacher Credential Status			
	School			District
	17-18	18-19	19-20	19-20
Fully Credentialed	12	12	12	1207
Without Full Credentials	0	0	0	55
Teaching Outside Subject Area of Competence (with full credential)	3	3	4	45

Misassignments refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc. Teacher vacancies reflect the number of positions to which a single designated certificated employee has not been assigned at the beginning of the year for an entire semester or year.

	Misassignments/Vacancies		
	17-18	18-19	19-20
Misassignments of Teachers of English Learners	1	1	0
Misassignments of Teachers (other)	0	0	0
<b>Total Misassignments of Teachers</b>	<b>1</b>	<b>1</b>	<b>0</b>
Vacant Teacher Positions	1	1	0

## School Facilities (School Year 2019-20)

Vista Nueva Technology High School was originally constructed in 1956. The campus is currently comprised of 14 classrooms, a multipurpose room, and a staff lounge.

### Cleaning Process and Schedule

The district governing board has adopted cleaning standards for all schools in the district. All schools are on a regular cleaning schedule. Each classroom is swept or vacuumed and the trash emptied. The cafeteria, gym, and all restrooms are cleaned daily. Grounds are groomed on a rotating basis, with trash, lawn, and plumbing issues addressed daily.

### Maintenance and Repair

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. One full-time custodian ensures that all classrooms and facilities are in adequate condition. A work order process is used to ensure efficient service that emergency repairs are given the highest priority. At the time of publication, 100% of the restrooms are in complete working order.

### Deferred Maintenance Budget

The district participates in the State School Deferred Maintenance Program, which provides state matching funds on a dollar-for-dollar basis, to assist school districts with expenditures for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, paving, and floor systems. For the 2018-19 school year, the district has budgeted \$1,896,380.00 for the deferred maintenance program. This represents 0.58% of the district's general fund budget.

The table shows the results of the most recent school facilities inspection. While reviewing this report, please note that even minor discrepancies are reported in the inspection process. The items noted in the table have been corrected or are in the process of remediation.

### Instructional Materials (School Year 2019-20)

Twin Rivers Unified held a public hearing on September 24, 2019, and determined that each school within the district had sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of *Williams vs. the State of California*. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption. The table displays information collected in October 2019, about the quality, currency, and availability of the standards-aligned textbooks and the instructional materials used at the school.

## Pupil Outcomes State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

### California Assessment of Student Performance and Progress

The California Assessment of Student Performance and Progress (CAASPP) includes computer-based and paper-pencil assessments. The computer-based assessments are the Smarter Balanced English Language Arts/Literacy (ELA) and Mathematics tests, administered to grades three through eight and eleven. There is also an optional Standards-based Test in Spanish (STS) for Reading/Language Arts (RLA).

A new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS) has been developed. The California Standards Test and California Modified Assessment for Science are no longer administered. The new California Science Test (CAST) was piloted in spring 2017, field tested during the 2017–18 school year, and is now administered operationally. CAST results are not available for the current reporting period.

The Smarter Balanced Assessment System utilizes computer-adaptive tests and performance tasks that allow students to show what they know and are able to do. Smarter Balanced summative assessment results include student scores, achievement levels, and descriptors that describe performance. These assessment results are only one of several tools used to measure a student's academic performance in ELA/Literacy and mathematics. Smarter Balanced assessment results are most appropriately interpreted alongside other available information about a student's academic achievement, including such measures as District assessments, classroom assignments and grades, classrooms tests, report cards, and teacher feedback.

The first table displays the percent of students who met or exceeded state standards in English Language Arts/Literacy (grades 3-8 and 11) and Math (grades 3-8 and 11) for the past two school years.

California Assessment of Student Performance and Progress									
Percent of Students Meeting or Exceeding the State Standards									
Subject	School			District			State		
	2017	2018	2019	2017	2018	2019	2017	2018	2019
English Language Arts/Literacy (Grades 3-8 and 11)	7	0	11	32	36	38	48	50	50
Mathematics (Grades 3-8 and 11)	0	0	0	25	27	29	37	38	39
Science (Grades 5, 8, and 10)	--	--	--	--	--	--	--	--	--

The second table displays information on student achievement by student groups for the school in ELA and Mathematics with all grades combined (grades three through eight and eleven).

California Assessment of Student Performance and Progress									
Student Groups	English-Language Arts					Mathematics			
	Total Enrollment	Number Tested	Percent Tested	Percent Not Tested	% Met or Exceeded CA Standard	Number Tested	Percent Tested	Percent Not Tested	% Met or Exceeded CA Standard
All Students	60	41	68.33	31.67	10.81	44	73.33	26.67	0
Male	34	22	64.71	35.29	15.79	24	70.59	29.41	0
Female	26	19	73.08	26.92	5.56	20	76.92	23.08	0
Black or African American	14	7	50.00	50.00	0	8	57.14	42.86	0
Hispanic or Latino	31	24	77.42	22.58	9.52	24	77.42	22.58	0
Socioeconomically Disadvantaged	53	36	67.92	32.08	12.12	40	75.47	24.53	0
English Learners	17	12	70.59	29.41	10	14	82.35	17.65	0

Note: ELA and Mathematics test results include the Smarter Balanced Summative Assessment and the California Alternate Assessment. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## UC/CSU Course Completion

Students are encouraged to take University of California/California State University (UC/CSU) preparatory courses if they plan to attend a four-year university. All students must pass each course with a grade no lower than a 'C'.

UC/CSU Course Enrollment	
	Percentage
Students Enrolled in Courses Required for UC/CSU Admission (2018-19)	100.00%
Graduates Who Completed All Courses Required for UC/CSU Admission (2017-18)	-

\* Duplicated Count (one student can be enrolled in several courses).

## Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

### Parent Involvement (School Year 2019-20)

Parents play an important role at Vista Nueva High School through active participation and involvement in the School Site Council (SSC). They can also take advantage of supporting their students by attending Back to School Night and Open House. Also, parents can meet with the principal who has an "open door" policy, along with the school counselor.

### State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension and expulsion rates; and
- Other local measures on the sense of safety.
- Attendance

## Suspensions & Expulsions

The table displays the suspension and expulsion rates at the school, in the district, and throughout the state. Expulsions occur only when required by law or when all other alternatives are exhausted.

	Suspensions & Expulsions					
	Suspensions			Expulsions		
	16-17	17-18	18-19	16-17	17-18	18-19
School	6.02	5.73	2.30	0.00	0.44	1.40
District	7.10	6.89	6.10	0.03	0.13	0.10
State	3.65	3.51	3.50	0.09	0.08	0.10

### Safe School Plan (School Year 2019-20)

The safety of students and staff is a primary concern of Twin Rivers Unified School District. Supervision is provided to ensure the safety of each student before school, during breaks, at lunch, and after school. Supervision is a responsibility shared among school staff, teachers, and school administrators. All guests to the campus must sign in at the office and wear a visitor's badge at all times.

To safeguard the well-being of students and staff, our school has a comprehensive School Site Safety Plan, which is reviewed and updated annually by the Site Safety Committee. Any revisions made to the plan are reviewed immediately with the staff. School staff also review the plan annually at the beginning of the school year. The plan was last reviewed with school staff in August 2019.

Key elements of the Safety Plan focus on the following: disaster response procedures, school-wide dress code, child abuse reporting procedures, bullying prevention, sexual harassment policy, teacher notification of dangerous pupils procedures and safe ingress and egress of pupils, parents, and school employees.

The school is always in compliance with the laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. Emergency drills are held on a regular basis, fire drills are held once a month, earthquake and lockdown drills are held twice a year. The school is in compliance with the laws, rules, and regulations pertaining to hazardous materials and state earthquake standards.

### State Priority: Pupil Engagement

The SARC provides the following information relevant to the Pupil Engagement State Priority (Priority 5):

- High school dropout rates; and
- High school graduation rates.

## Dropout & Graduation Rates

Vista Nueva Career and Technology High School believes that effective instruction consists of the continuous building of new concepts upon existing ones and requires regular attendance and participation. In hopes of preventing and reducing dropouts, the following programs are made available to students: "Charge" (Credit Recovery), academic counseling, and tutoring with our mentoring group.

Data from the 2016-17 school year was the most recent available at the time of publication.

	Graduation & Dropout Rates					
	Dropout			Graduation		
	15-16	16-17	17-18	15-16	16-17	17-18
School	21.1%	11.2%	19.1%	65.8%	58.2%	69.7%
District	8.5%	23.4%	28.3%	84.3%	59.7%	61.3%
State	9.7%	9.1%	9.6%	83.8%	82.7%	83.0%

## Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

### Class Size

The table indicates the average class size by grade level or subject area, as well as the number of classrooms that fall into each size category.

	Class Size Distribution											
	Average Class Size			Classrooms Containing:								
				1-20 Students			21-32 Students			33+ Students		
17	18	19	17	18	19	17	18	19	17	18	19

## School Leadership

Leadership at Vista Nueva High School is a responsibility shared between district administration, site administration, instructional staff and parents. Primary leadership duties have been assumed by Mr. Bob Wilkerson. Opportunities for leadership include:

- Department Teams
- School Site Council
- Leadership Team

## Additional Internet Access/Public Libraries

For additional research materials and Internet availability, students are encouraged to visit the public libraries located in the city and county of Sacramento, which contain numerous computer workstations. Access to the internet and public locations is generally on a first-come first serve-basis. Other restrictions may include the hours of operation, the length of time at a workstation (depending on availability), the type of software program available on a workstation, and the ability to print documents. Visit [www.saclibrary.org](http://www.saclibrary.org) for more information and directions to the nearest branch.

## Curriculum Development

All curriculum development at Vista Nueva Career and Technology High School revolves around the California Common Core State Standards and Frameworks. The writing and implementation of the Twin Rivers Unified School District's curriculum is an ongoing process. The district's curriculum guides are updated regularly to align with the state standards, district goals, and the statewide assessment program. Teachers align classroom curriculum to ensure that all students either meet or exceed state proficiency levels.

## Staff Development

The teacher evaluation process is one of the most critical professional development opportunities we have with our staff. A well-constructed evaluation helps to promote high quality instruction and is a fundamental way to support growth. Staff evaluations are completed through formal, non-formal, and non-evaluative interactions. Temporary and probationary teachers are evaluated at least two times annually and tenured teacher evaluations alternate every other year and can be extended up to 5 years. Staff evaluations are conducted by trained administrators and the criteria used is closely linked to the California Standards for the Teaching Profession (CSTP). The CSTP domains are; Engaging and Supporting All Students in Learning, Creating and Maintaining Effective Environments, Understanding and Organizing Subject Matter, Planning Instruction and Designing Learning Experiences, Assessing Student Learning, and Developing as a Professional Educator.

Teachers and Certificated support personnel work to build skills and develop educational concepts through their participation in conferences and after school workshops throughout the year. In the 2018-2019 school year, Twin Rivers Unified School District offered 3 to 4 non-student professional

development days for teachers depending on the grade level assignments. Professional Learning Communities (PLCs) were organized, met regularly, and collaborated during dedicated periods at each school site during early release days. Professional development sessions were focused on high quality first instruction, implementation of the Common Core Standards, Systems Thinking and leadership development, as well as numerous curricular support programs necessary to support student's continued growth. During the Fall of the 2018-2019 school year, the district also supported over 150 beginning teachers through our partnership with the Sacramento County Office of Education's Teacher Induction Program.

### Counseling & Support Staff (School Year 2018-19)

In addition to academics, the staff strives to assist students in their social and personal development. Staff members are trained to recognize at-risk behavior in all students. The school values the importance of on-site counseling and has procedures in place to ensure that students receive the services they need. Psychologists and counselors are devoted to helping students deal with problems and assisting them to reach positive goals. The chart displays a list of support services that are offered to students at the school. Please Note: One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Academic Counselor to Student Ratio	
2018-19	
	Average Number of Students per Academic Counselor
Academic Counselor(s)	158

Counseling & Support Services Staff		
	Number of Staff	Full Time Equivalent

### District Expenditures (Fiscal Year 2017-18)

The table provides a comparison of a school's per pupil funding from unrestricted sources with other schools throughout the state. The California Department of Education issued guidance to LEAs in August 2018 regarding how to calculate school level per pupil expenditures.

Supplemental/Restricted expenditures come from money that is controlled by law or donor. Money designated for specific purposes by the district or governing board is not considered restricted. Basic/unrestricted expenditures, except for general guidelines, is not controlled by law or donor.

For detailed information on school expenditures for all districts in California, see the CDE Current Expense of Education & Per-pupil Spending Web page at <http://www.cde.ca.gov/ds/fd/ec/>. For information on teacher salaries for all districts in California, see the CDE Certificated Salaries & Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>. To look up expenditures and salaries for a specific school district, see the Ed-Data Web site at: <http://www.ed-data.org>.

## District Revenue Sources (Fiscal Year 2018-19)

Based on 2018-19 FY audited financial statements, the table provides a comparison of a school's per pupil funding from unrestricted sources with other schools throughout the state. In addition to general state funding, Twin Rivers Unified School District receives state and federal funding for the following categorical funds and other support programs:

- After School Education & Safety
- Ag Incentive Grant
- CA CareerPathways Trust
- CA Partnership Academies
- CAAP College Going Culture
- Carl Perkins
- Career Tech Ed Incentive Grant
- College Readiness Block Grant
- Educator Effectiveness
- Generation Green Program
