*To inspire each student to
extraordinary achievement
every day*

April 28, 2023

To Staff and the Twin Rivers School Community,

As a parent, I know this is the time of year when we begin to think about summer plans. Whether contemplating vacations and trips to visit with family and friends or considering how to help occupy our children's time during the summer months, we start to explore the options.

For parents like me, I have some good news. This year, TR is offering a wide range of summer school and camp options for our students of all ages. Our remarkable team has worked with energy and enthusiasm to create some exciting enrichment activities for our TR scholars. [Click here for a full menu of options.](#)

Summer School and Camp Highlights

1. **Kinder Kamp** – A warm and welcoming setting for our youngest learners, Kinder Kamp will explore the alphabet, letter sounds, creative play and reinforce the importance of social skills. As the saying goes, children learn through play, and play they will in the TR Kinder Kamp.
2. **Elementary School** – Academic achievement and lessons to help students increase their academic skills are the focus of the elementary summer program. This academic focus will be complemented by arts enrichment and hands-on projects designed to engage students, so their summer experience is fun.
3. **Bridge** – This program is customized for our incoming ninth graders to provide them the skills that will help with a smooth and enjoyable transition into high school.
4. **High School** – Credit recovery classes, electives, and clubs.
5. **Early Bird Sports and Activities** – Basketball, soccer, tennis and a Lego Club are available for students whose families may need some additional hours to help accommodate their work schedules.

Around TR!

I want to take a moment to recognize the many employees across TR who serve students, colleagues, and families with grace and professionalism. We recognized our library media techs, teacher-librarians and library material techs as part of School Library Month. School Bus Drivers' Appreciation Day was April 25, Administrative Professionals Day was celebrated across TR on Wednesday, April 26, and on Monday, May 1, we will celebrate School Principals Day.

Page 2

We took time to offer sincere gestures of gratitude and thanks to the many people who work in support positions across our schools and district. While teaching is at the heart of our work, there are hundreds of people in our organization who manage myriad tasks to help ensure that our teachers and administrators can focus on student needs. Our administrative support teams provide valuable services that help our schools and district run smoothly. Thanks to everyone on the TR Admin Professional's Support Team for all that you do.

I do hope that you have a great weekend. Enjoy the warm weather, and take a moment to check out our summer offerings. We are excited to make these options available to our students and families.

With warm regards,

A handwritten signature in blue ink, appearing to read "Steve Martinez". The signature is fluid and cursive, with a long horizontal stroke at the end.

Steve Martinez, Ed.D.
Superintendent, Twin Rivers Unified
