Ralph Troy Hatch
Cultural Traditionalist, Hukum
Maidu and Tribal Member of Wilton Rancheria
We acknowledge that the Nisenan People are still here among us today, though nearly invisible.

We understand that we are on Nisenan land that was never ceded and the original Tribal families have yet to recover from the near genocide of their people.

As a resident or visitor on Nisenan land, we support the Nisenan people and other indigenous peoples in the efforts to stabilize their people.
