

ARTS, MEDIA & ENTERTAINMENT INDUSTRY SECTOR

Are you into animation, movies, or video games? With the Animation pathway, you can pursue an artistic career in one of California's largest job sectors! With both on-site studio jobs as well as remote options, the animation and film industries have many opportunities throughout the state for employment. This pathway will prepare you to either attend top-tier art colleges or go straight into the industry to begin your career.

Animation at Foothill High School

TWIN RIVERS UNIFIED
SCHOOL DISTRICT

www.trusd.net/cte

Twin Rivers Unified School District programs, activities, and practices shall be free from unlawful discrimination, harassment, intimidation, and bullying based on actual or perceived race, color, ancestry, national origin, ethnic group identification, age, religion, marital or parental status, physical or mental disability, sex, sexual orientation, gender, gender identity, or gender expression; or on the basis of a person's association with a person or group with one or more of these actual or perceived characteristics.

Animation Pathway

The Animation Pathway teaches you how to give life to characters and stories that you create. You will learn the basics of visual art, the principles of animation, and the essential skills needed to create a film. This pathway prepares you to pursue a professional career in animation, design, and filmmaking.

While you're in High School

UNIQUE FEATURES

- Train with industry standard hardware and software—use the same gear that the pros use
- Meet and work with professionals who are working in the industry and start building your professional network
- Visit professional studios like Pixar, Disney, and Dreamworks
- Compete in local and national art and film competitions, such as the National Student Production Awards (Student Emmys)

GRADUATION OPPORTUNITIES

- Fulfills A-G requirement for Visual and Performing Arts (F)
- Seniors who meet the requirements can earn a Career Pathways Cord at graduation

How to participate!

- ⋮ Find out more program info from a CTE teacher on campus
- ⋮ Make an appointment with your counselor to plan your classes

Pathways in college and beyond

Community college programs provide a great opportunity to continue your training and prepare for your first job. You will receive the same quality training as private programs, but for only a fraction of the price.
