INDUSTRY SECTOR

***Cybercrime is the next  
major crime trend***

While there will always be a need for law enforcement officers to protect us, there are many other careers related to law enforcement that do not carry a badge and gun. Careers can also include combatting and investigating crimes that take place over the internet.

## Public Safety Pathway

Are you interested in being involved in your community and serving the public's interest? This pathway provides a foundation for you to learn about criminal law and crime scene investigations, while you improve on things such as teamwork, pride and commitment—all desirable traits for future employers. You will also study forensics, DNA, fingerprints and analysis of various chemicals to assist in prosecuting criminals.

## While you're in High School

### UNIQUE FEATURES

- This program operates as a school-within-a-school where you will study with the same group of students and teachers for all 3 years
- You'll have opportunities to participate in skills-based competitions with other Academies throughout the state
- Take field trips to various law enforcement departments, universities, and even the jail
- Students are connected throughout the school day while the Criminal Justice instructor works with your core subject instructors to ensure each student is progressing

### GRADUATION OPPORTUNITIES

- Fulfills A-G requirement for College-Preparatory Elective (G)
- Seniors who meet the requirements can earn a Career Pathways Cord at graduation
- Graduates are well prepared for college and civilian employment with local law enforcement agencies

### How to participate!

- ∴ Find out more program info from a CTE teacher on campus
- ∴ Make an appointment with your counselor to plan your classes

## Pathways in college and beyond
