

**ARTS, MEDIA &
ENTERTAINMENT**
INDUSTRY SECTOR

Entertainment for the world

Without digital media, the world of TV, music, fashion, film and gaming would continue to be void of all individualized expression. Pursuing this industry sector helps to foster creativity to the masses.

Express your creativity

From scripting to filming and editing, this field has endless ways to explore new ideas and convey your own message.

Digital Media

at Highlands High School

EDUCATION**
TWIN RIVERS UNIFIED
SCHOOL DISTRICT

www.trusd.net/cte

Twin Rivers Unified School District programs, activities, and practices shall be free from unlawful discrimination, harassment, intimidation, and bullying based on actual or perceived race, color, ancestry, national origin, ethnic group identification, age, religion, marital or parental status, physical or mental disability, sex, sexual orientation, gender, gender identity, or gender expression; or on the basis of a person's association with a person or group with one or more of these actual or perceived characteristics.

Design, Visual & Media Arts Pathway

Get introduced to the role of digital media specialist and all the fundamentals of how to create websites, produce videos or design computer games. You can also create interactive computer applications using text, 2-D and 3-D graphics, animation, sound, video, and digital imaging. Students in Game Design apply the art of design and aesthetics to create games for entertainment, education or experimental purposes.

While you're in High School

UNIQUE FEATURES

- Students have the opportunity to use the most up-to-date hardware and software to further their creative experience.
- Students will leave this pathway with a digital portfolio that will give them a clear advantage when applying for post-secondary education.

GRADUATION OPPORTUNITIES

- Fulfills A-G requirement for Visual and Performing Arts (F)
- Seniors who meet the requirements can earn a Career Pathways Cord at graduation

How to participate!

- ⋈ Find out more program info from a CTE teacher on campus
- ⋈ Make an appointment with your counselor to plan your classes

Pathways in college and beyond

Community college programs provide a great opportunity to continue your training and prepare for your first job. You will receive the same quality training as private programs, but for only a fraction of the price.
